

SHOCKLEY JURY IS NOW COMPLETE

Court Ready to Take Up the Trial of
the Young Man Charged With
Double Murder.

George D. Nebeker, Granger.
Walter L. Price, Salt Lake
City.
S. W. Anderson, Salt Lake
City.
Frank C. Howe, Murray.
John H. Bowden, Taylorsville.
J. J. H. Latimer, Mill Creek.
Thomas Haskford, Union.
C. L. Hannaman, Salt Lake
City.
W. C. Downing, Salt Lake City.
W. T. Knapton, Salt Lake
City.
Louis Andrus, Draper.
Thomas W. Green, Salt Lake
City.

These are the twelve men who will
hear and weigh the evidence in the
case of the State against James M.
Shockley, who on the night of Janu-
ary 5th last, shot and killed the two
street car men, Amasa L. Gleason and
Thomas R. Brighton. The twelfth man
of the jury was secured yesterday
afternoon shortly before 2 o'clock, but
the introduction of evidence will not
commence until 10 o'clock Monday
morning. Owing to indisposition on the
part of District Attorney Elchorn, a
continuance in the trial was taken un-
til day after tomorrow.

Prisoner Is Pleaded.
While leaving the courtroom the de-
fendant was asked what he thought
about the men who are to pass judg-
ment upon his crime. He answered
satisfied with the jury," said Shockley.
"I am satisfied that we have twelve
conscientious and broad-minded men in
the box." The defendant expressed a
feeling of relief at having the selection
of the jury over with.

District Attorney Elchorn was not
feeling well all day and during the
afternoon session kept his overcoat on
in the courtroom. After the informa-
tion, charging Shockley with murder in
the first degree for the killing of Motor-
man Gleason, had been read by Clerk
Buckwalter, Mr. Erickson arose and
moved the court for a continuance. The
District Attorney said that in his pres-
ent ill condition he was unable to pro-
ceed with the case and asked that an
adjournment be taken until Monday
morning, at which time he felt confident
that he would be able to proceed with-
out further delay. Attorney Wilson of-
fering no objection to the motion, it
was granted by Judge Morse.

Slow Process Ended.
Out of the forty jurors of the special
venue issued Thursday afternoon
twenty-nine appeared in court, the
other eleven were not served. Out of
the twenty-nine present twenty-six
passed on the voir dire examination;
two were excused on their own motion
and one was disqualified. Twelve of
the jurors were examined and excused
on challenges made by the defense,
when the thirteenth man, Thomas
Green, was called to the box. This
juror proved satisfactory to both sides
and was sworn to try the case. The
twelve men who had not been examined
were excused by the court and the
completed jury was sworn in to hear
the case, Isaac Emery and Herbert
Anderson were sworn as special bailiffs
and the jury given into their case un-
til Monday morning.

Among the crowd that thronged the
courtroom were Bishop Brighton,
brother of the murdered conductor; Ly-
man Gleason, son of the murdered mo-
torman, and the deceased's two broth-
ers, E. M. and Albert Gleason. They
all took much interest in the court
proceedings.

Court Notes.

The wife asks for the custody of the
minor children and for temporary and
permanent alimony. The attorney for
the plaintiff is W. R. Hutchinson.

In a complaint for divorce filed in the
District court yesterday by Emma Car-
roll against William J. Carroll, the
plaintiff alleges that she and the de-
fendant intermarried in this city on
March 24, 1891, and that there have
been born as the issue of the marriage
four children, aged respectively 12, 10,
7 and 6 years.

The plaintiff further alleges that the
defendant has been guilty of habitual
intemperance for more than five years
past, which would necessarily be two
years before they were married. The
defendant is charged with having
treated the plaintiff in a cruel and in-
human manner and the specific allega-
tion is made that on February 15th of
this year he struck the plaintiff in the
face, bruising and wounding her.

Suit for divorce on the grounds of
habitual drunkenness and non-support
was begun in the District court yester-
day by Elizabeth A. Hunter against Jo-
seph Hunter. The parties were married
November 20, 1893, at Scofield, and have
one child, the custody of which is asked
by the plaintiff, who also asks to be
restored to her maiden name of Eliza-
beth A. Hardee.

Judge Hall yesterday rendered a de-
cree of divorce dissolving the bonds of
matrimony between Laura Turner and
Frank M. Turner. The plaintiff wife
charged the defendant with desertion
and failure to provide her and their
children with the common necessities of
life. The husband admitted the allega-
tions in his answer, but denied that he
did not have good and sufficient cause

for so doing. The couple were married
on May 18, 1900. Their child, Eddie
Turner, aged 3 years, is awarded to the
care of the mother.

A petition on bankruptcy was filed in
the Federal court yesterday by Peter
Clark of Park City, a bartender, who
gives his liabilities as \$1345.06 and his
assets as \$560, all of which is claimed
to be exempt.

SCARCITY OF WATER AT THE PEST HOUSE

There is a scarcity of water at the
isolation hospital, due to a break in the
pipe line that furnishes water from
Emigration canyon creek to the place.
The pipe bursted some time early yester-
day morning, and a water famine is
now staring the inmates of the hospital
in the face. There are about fifteen
smallpox patients in the hospital, and
unless the pipe line is repaired imme-
diately they are likely to get thirsty, to
say nothing of the discomfort that will
be entailed for a lack of water for do-
mestic purposes.

Superintendent Hines of the water
works department received a telephone
call from the pesthouse yesterday af-

ternoon urging that the pipe be re-
paired at once. This pipe line does not
belong to the city water works systems,
and Mr. Hines was in doubt as to his
jurisdiction over the line. He reported
the matter to the Board of Health and
the Mayor was immediately communi-
cated with. Under instructions from
Mayor Morris Mr. Hines sent out a
force of men to repair the break. The
break was found to be a serious one,
occurring on the apex of a hill, where
the line has been pulled asunder by a
settling of the pipe in the hollows on
either side. It was fixed temporarily,
so as to furnish a small flow of water
at the hospital, and will be repaired to-
day.

KANSAS CITY, April 8.—A blizzard
raged in this part of the Southwest last
night and today. Snow and sleet seriously
interrupted telegraph and telephone
service.
